Survey Summary for Peter Noyes Elementary School
Compiled by Stan Davis and Julia McLeod
March 15, 2011

Survey demographics

Total students surveyed: 305

What grade are you in?

	3	4	5
Response count	98	96	93
Percentage	34%	33%	32%

Are you male or female?

	Male	Female	Prefer not to answer
Response count	144	127	16
Percentage	50%	44%	6%

Do you receive any help from the learning center, literacy center, or speech teacher; or do you have a physical condition that limits your abilities?

	Yes	No	Did not answer
Response count	75	149	81
Percentage	25%	49%	27%

Is this your first year at the school where you are now?

	Yes	No
Response count	31	256
Percentage	11%	89%

*Data from demographic groups with less than 20 students is omitted to maintain confidentiality.
** Data from demographic groups with less than 40 students can be unreliable.

Do you feel welcomed by adults at our school? Percent responding yes or most of the time.

	Overall	Grade 3	Grade 4	Grade 5	Male	Female	No special help	Special help	First year**
2009-2010	93%	88%	95%	94%	93%	93%	94%	93%	--
2010-2011	93%	90%	94%	96%	89%	98%	95%	91%	87%

Do you feel welcomed by students at our school? Percent responding yes or most of the time.

	Overall	Grade 3	Grade 4	Grade 5	Male	Female	No special help	Special help	First year**
2009-2010	84%	81%	86%	89%	88%	83%	85%	83%	--
2010-2011	87%	85%	83%	93%	90%	83%	91%	84%	84%

Do you believe the rules at our school are fair? Percent responding strongly agree or agree.

	Overall	Grade 3	Grade 4	Grade 5	Male	Female	No special help	Special help	First year**
2009-2010	93%	95%	92%	93%	92%	96%	95%	94%	--
2010-2011	95%	97%	94%	95%	95%	95%	95%	95%	90%

*Data from demographic groups with less than 20 students is omitted to maintain confidentiality.
** Data from demographic groups with less than 40 students can be unreliable.

	Overall	Grade 3	Grade 4	Grade 5	Male	Female	No special help	Special help	First year**
2009-2010	96%	93%	97%	98%	96%	97%	97%	95%	--

*Data from demographic groups with less than 20 students is omitted to maintain confidentiality.
** Data from demographic groups with less than 40 students can be unreliable.

In the past month, how often have you seen students do these things at school? Percent who saw the behavior twice a week or more in the past month.

2009-2010	2010-2011	Behavior
64%	55%	Cutting other students in line
19%	13%	Use of language like: that's retarded or that's so gay
20%	13%	Negative facial expressions (eye rolling, sticking out tongue)
16%	13%	Talking negatively behind someone's back
18%	11%	sports)
12%	10%	Taking things that belong to other students
11%	10%	Exclusion
18%	9%	Negative or rude gestures
4%	8%	Namecalling based on what someone has or doesn't have
10%	8%	Namecalling based on disability
9%	7%	Choosing not to be someone's friend
16%	7%	Pushing/Shoving/Slapping/Running into other students roughly
14%	7%	Swearing at someone
11%	6%	Starting or spreading rumors (true or false)
8%	5%	Threatening to leave someone out of a group or activity
14%	5%	Namecalling based on ability, either intelligence or athletic
10%	5%	Namecalling based on gender (whether you are a boy or a girl)
10%	5%	Namecalling based upon body shape or size
13%	4%	Punching, Kicking, or Jabbing
7%	3%	Threatening to hurt someone or to break something
2%	3%	Namecalling based on the color of your skin or your religious beliefs
8%	3%	Touching,kicking, or grabbing private parts of other students' bodies

Where do these negative behaviors take place? You may check more than one.

2009-2010	2010-2011	Location	
15%	18%	Before school	
23%	27%	After school	
11%	16%	SED	
27%	30%	Indoor recess	
69%	64%	Outdoor recess	
7%	11%	On a field trip	
24%	38%	Restrooms	
30%	28%	Hallways	*Percent who attend SED who said they observed negative behaviors there in 2010-2011: 51%
57%	51%	Lunch room	
41%	30%	Classroom	
59%	64%	Bus	
2%	4%	Online or texting while at school	

*Data from demographic groups with less than 20 students is omitted to maintain confidentiality.
** Data from demographic groups with less than 40 students can be unreliable.

If students do these actions, what do you think adults at school should do?
Percent responding that adults should take action.

2009-2010	2010-2011	Behavior
98%	98%	Touching,kicking, or grabbing private parts of other students' bodies
97%	98%	Namecalling based on the color of your skin or your religious beliefs
98%	98%	Punching, Kicking, or Jabbing
94%	97%	Namecalling based on disability
99%	97%	Swearing at someone
92%	96%	Threatening to hurt someone or to break something
98%	96%	Pushing/Shoving/Slapping/Running into other students roughly
92%	93%	Namecalling based upon body shape or size
92%	93%	Use of language like: that's retarded or that's so gay
87%	93%	Exclusion
88%	93%	Namecalling based on ability, either intelligence or athletic
93%	93%	sports)
89%	92%	Starting or spreading rumors (true or false)
90%	91%	Taking things that belong to other students
87%	91%	Namecalling based on gender (whether you are a boy or a girl)
90%	89%	Negative or rude gestures
